No objection from a publications standpoint.

We have the following comments:

a. Believe coordination should include:

(OVER) DDP Records Management Officer; Chief, RID.

Copies of the referent book dispatches would be needed in such coordination. They were not attached to the draft when it reached this office.

b. There are approximately

c. The first sentence of paragraph 4 of the dispatch

and if the information (OVER) in the report dispatch is considered to be essential.

might read simply:

"Headquarters is attempting
to develop simpler and more
expeditious destruction
methods."
